Affidavit

The undersigned affiant, being duly sworn, deposes and says:

1. That: I, the affiant, Officer Robert Worobel, am a sworn member of the Vernon Police Department and have been since December 2018. During that time, I have investigated numerous criminal and motor vehicle incidents and have received specialized training in these matters. All facts and circumstances set forth hereinafter are known personally by me as a result of my own investigative efforts and those of fellow officers who have reported their findings to me.

2. That: On 08/02/2022 at approximately 1728 hours, Victim 1 (V1), came into the VPD lobby to report past tense physical domestic violence incidents. It should be noted that V1 was the victim of a domestic violence incident the previous day on 08/01/2022. During this incident, V1 reported she was physically assaulted by Jaime Solis (DOB 10/26/1992). V1 sustained a severe laceration during this incident and went to the hospital for treatment. V1 told me she received thirteen stitches at the hospital to close the wound above her eye. I confirmed V1 had numerous stitches above her left eye. As a result of the investigation on 08/01/2022, Jamie Solis was arrested and charged with violating C.G.S. 53a-60: Assault in the Second Degree, C.G.S. 53-21: Risk of Injury to a Child, and C.G.S. 53a-182: Disorderly Conduct. Solis was released on a \$25,000 bond with full no contact conditions of release and was scheduled to appear at GA-19 Rockville on the morning of 8/02/2022. Please refer to VPD case #22-12304 for further information regarding this incident.

3. That: V1 informed me that she wanted to discuss numerous past domestic violence incidents when Solis assaulted and threatened her. V1 stated she wanted to leave the relationship for awhile but she was scared would be taken away from her. V1 also stated she was scared of Solis retaliating if she left him. V1 provided the following information via sworn written statement, in full:

Affidavit - Continued

4. That: "On 08/01/2022, Jaime Solis (DOB 10/26/1992), was arrested for a domestic violence incident in which he assaulted me. I was transported to the hospital for my injuries and had to get 13 stitches to close an open laceration above my left eye.

5. That: On 08/02/2022 I returned to the Vernon Police Department to speak with Officer Worobel to discuss past incidents where Jaime physically assaulted me. I also came into the Vernon PD to ask about an unregistered firearm that I found on 08/01/2022. Per State Police protocol, Lt Haglund of CSP Troop D arrived at my home to collect all of Jaime's work belongings, including his firearms, patrol vehicle, and other miscellaneous work related items in the home. While Lt Haglund was at my residence, I informed him that I found an additional unregistered firearm sitting on his dresser in our bedroom. In the past, Jaime told me the firearm was from when he was in the Army and they never collected it when he left. I also came into the VPD to speak with an officer regarding threatening remarks Jaime made on 08/01/2022 when he assaulted me.

6. That: I estimate within the last year, Jaime has physically assaulted me approximately forty times. Many of the incidents occurred when I attempted to stick up for myself, which started verbal arguments. The verbal arguments would then escalate and Jaime would often punch, slap, or strike me with objects including his belt. Jaime also has threatened to kill me and assault me numerous times in the past.

7. That: One incident that I specifically remember well occurred around Christmas time of 2020. This incident occurred when we lived in our apartment "Right" in Vernon, CT. During this incident, I attempted to stick up for myself which upset Jaime and he began to verbally disrespect me. Jaime pushed me backwards and I fell into a washing machine. As I tried to stand back up, Jaime backhanded me in the face with what I believe was his left hand. The side of his hand struck directly to the right of my left eye, from the perspective of someone facing me. The strike split open my head leaving a open wound which was bleeding a lot. Jaime went to the store and bought butterfly bandages to close the wound. I still have an approximate half inch to one inch scar from the injury. I am not sure if I photographed the injury but will send Officer Worobel the photographs if I am able to find any. I was approximately three months pregnant at this time

8. That: Another incident occurred on June 24, 2022 at approximately 5:51pm, while we were living in our

house During this incident, Jaime was giving me a hard time about money for the mortgage. I had moved back into the house after moving out for only about one day. At this point, I was only sleeping at the house and was completing all my other daily activities at my parents house. I told Jaime I thought it was unfair for me to pay half the mortgage when I was barely ever at the house. Jaime refused to budge so I ended up just paying him half the mortgage. Money was tight for me at this time so I asked Jaime for some of my mortgage payment back to buy supplies for . Jaime refused to give me money and became very angry I asked for money. During this incident, I feared for my safety based on the past physical abuse, so I began recording on my cell phone and placed it in my back pocket. In the video you can hear me scream which is directly after Jaime shoved me backwards. Jaime then slapped me in the face and began punching me in the stomach. Jaime continued to shove me, slap me in the face, and punch me in the stomach numerous times. During this entire incident, Juvenile 1 (J1) was crawling around on the floor. After Jaime shoved me the first time, I stumbled backwards and accidentally stepped on J1's fingers. I later sent the recording of this incident to Officer Worobel.

9. That: Another incident I remember occurred sometime from the middle of May 2022 to the middle of June 2022. During this incident, I asked Jaime why he would get rid of something we had in the house. Jaime instantly became frustrated that I questioned him on something and told me he would "beat your (my) ass in front of . When Jaime said he was referring to J1.

10. That: Another incident occurred on June 16, 2022 over text message. This incident started because Jaime was upset I asked him to contact his Aunt regarding an apartment for me to stay in. I told Jaime that it was "fucked" that he was kicking me out of the house and he became angry. Jaime sent me a text message threatening to "beat your (my) ass". Jaime then texted me messaging saying he promised "something" would happen to the dog. He texted me "You ether [sic] leave with him alive or I swear to the kids you're staying here without him."
I replied, "You're sick"
Jaime then stated, "And that's not a threat. That is. Promise. No that's not even close to what I'm capable off. I told you, idc."

11. That: Another incident occurred on May 16, 2022 at our home During this incident from New York wanted to come staying with us with 9 people total. I was frustrated that Jaime did not run this by me or give me any notice they were coming. I was standing in the kitchen when Jaime was yelling at me and telling me I did not have a say in who stayed at the house.

Jaime quickly ran up the stairs and I turned around to face the sink in the kitchen. Jaime ran back down the stairs with his belt and I was cornered in the kitchen with nowhere to go. I yelled for Jaime to stop and he began repeatedly hitting me with it. Jaime hit me with the belt at least 10 times. The assault left bruises on my arms, back, butt, back of my upper leg, and on the back of my calf. I took photographs of the injuries and there were at least 10 total bruises.

12. That: I wish to press charges for all of the past incidents where Jaime threatened and physically assaulted me." End of statement.

13. That: V1 sent me a video recording of the incident on June 24, 2022 at approximately 5:51pm, and another video recording of the incident between the middle of May 2022 and the middle of June 2022. V1 explained that she did not have an exact date for this recording because there was no time stamp. V1 stated she had transferred the video to a flash drive in fear that Solis may find it in her phone. V1 stated when it was transferred back to her phone, she was unable to find a time stamp.

14. That: While viewing the video from the June 24, 2022 incident, I noted the audio was consistent with V1's account of the events provided in her statement. It should be noted V1 stated she had her cell phone recording the video in her back pocket because she did not want Solis to know she was recording. As a result, nothing is scene in the video but audio was captured. At the beginning of the video, I heard a male mumbling an inaudible sentence. A crashing sound followed and a female, who V1 identified as herself, was heard screaming. I child was then heard crying and a female stated "you made me fall on". V1 stated this is when Solis pushed her causing her to stumble backwards, stepping on J1's fingers in the process.

15. That: A male voice then stated "yell at me fucking outside? Who the fuck do you think you are?" Several more stumbling sounds were heard followed by several impact noises. The impact noises sounded consistent with that of skin contacting skin. V1 stated this is when Solis was slapping her in the face, pushing her, and punching her stomach. A child was also crying in close proximity to the cell phone recording throughout the incident. V1 stated the male voice in the video was Solis and the child crying was J1. This video totaled of 47 seconds.

16. That: I then viewed the video from the timeframe between the middle of May 2022 to the middle of

June 2022. During this video a male voice was heard saying, "fucking in my fucking house. That's what I already have to do with it."
 "Get the fuck away before I beat your ass in front of him."

17. That: A child was then heard mumbling an unrecognizable sound and the male voice said "piece of shit". V1 stated the male voice in this video was Solis and he was threatening her (V1) while J1 was present. This video totaled 11 seconds.

18. That: V1 emailed me several photographs from injuries she sustained on the incident on May 16, 2022 when Solis allegedly struck her at least 10 times with a belt. V1 explained Solis folded the belt in half when he hit her with it. In the photographs, I observed V1 had numerous bruises on her arm, lower back, hip, buttocks, outer thigh, hamstring, and calf areas.

19. That: V1 also sent a screen shot of a text message conversation that occurred on June 16, 2022 with the contact "Maury". V1 explained that she referred to Solis as "Maury" and stated when she referred to "Maury" she meant Jamie. It should be noted a check of Solis' information revealed his middle name is Mauricio.

The text message conversation went as follows:

V1: "It's fucked up that you're kicking me out so you can have women here. I have Maury. You think I want to stay here."

Maury: "Don't fucking start with me b4 I go beat your ass."

Maury: "You ask them"

Maury: "If you keep fucking playing games about moving out. I promise you something is happening to the dog."

Maury: "You ether [sic] leave with him alive or I swear to the kids you're staying here without him."

V1: "You're sick"

Maury: "And that's not a threat. That is. Promise"

Maury: "No that's not even close to what I'm capable off. I told you, idc"

20. That: V1 emailed me both videos, photographs of her injuries, and the photograph of the screen shot containing threatening messages. The files were burned to a DVD and submitted to evidence on a JD-CR-18. Printouts of the photographs were also submitted to records.
