Re: Application for Commutation

Dear Mr. Carney,

Please be advised after a pre-screen review of your application on January 24, 2023, it has been determined you do not meet the criteria for Commutation.

Specifically, your application was based upon the following premise: your conduct while incarcerated, your rehabilitation since the commission of your crime(s); how you would benefit from a commutation; how society may benefit from the commuting of your sentence; and your medical diagnosis. After review, sufficient evidence to support one or all of these assertions was not found by the Board.

Please note, re-applications will not be accepted. However, if **new**, compelling information not included and considered by the Board with this application becomes available, you may reapply. Please remember, this new information must meet the eligibility criteria set forth by the Board.

Sincerely,

A handwritten signature in cursive script that reads "Tara Brooks".
